We are committed to protecting your privacy and always ensuring the security of your personal information. Our Privacy Policy explains how we collect, use, and safeguard your data.

Type Of Information We Collect

We typically collect the following types of information:

- **Personal Information:** This includes your name, address, contact details, email address, and any other information you voluntarily provide when contacting us, requesting services, placing orders, or filling out forms/contact information on our website
- **Usage Information:** We may also collect non-personal information about your use of our website and services, including IP addresses, browser type, and device information

How we receive information about you

We receive your Personal Information from various sources, this personal information we process is provided to us directly by you for one of the following reasons:

- When you voluntarily provide us your personal details in order to register on our Site
- When you use or access our Site in connection with your use of our services
- From third party providers, services and public registers (for example, traffic analytics vendors)
- From call tracking providers (recorded calls) via Media Hawk or Call Tracking Metrics (CTM)

Why We Collect Personal Information

We use the information that you have given us in order to provide our services to you the 'data subject' as follows:

- To respond to enquiries and provide quotations for kitchen and bathroom projects
- To manage and deliver design, supply, and installation services
- To maintain customer records for invoicing and aftercare support
- To comply with legal and regulatory requirements

Under the General Data Protection Regulation (GDPR), the lawful bases we rely on for processing this information are:

- We have a contractual obligation
- We have a legal obligation
- We have a vital interest
- We need it to perform a public task
- We have a legitimate interest

- Consent

How We Process Your Information

We process the information collected for the following purposes:

- **Providing Services:** To provide services and communicate with you about your requests
- **Improving Our Services:** To analyse usage data and improve the range and quality of our services and our website
- **Marketing:** We may send you promotional materials, offers and updates about our services

Data Security

We take reasonable and responsible measures to protect your personal information from unauthorized access, disclosure, or alteration. However, please be aware that any method of transmission over the internet or electronic storage is not entirely secure.

Data Retention

We will retain your personal information for as long as necessary to provide our services, and as required to comply with our legal obligations, resolve disputes, and enforce our policies.

When data is no longer required, we will securely delete or anonymize it. For example, electronic records will be permanently erased, and paper records will be shredded.

Under applicable regulations, we will keep records containing client personal data, account opening documents, communications, and anything else as required by applicable laws and regulations.

How we store your personal information

- Your information is securely stored **in a filing cabinet located in a locked office**, with access restricted to authorised personnel.
- Electronic records are stored on **password-protected and encrypted systems**, backed up via reputable UK-based cloud or secure server providers that comply with GDPR.

Sharing Your Information

We do not sell, trade, or rent your personal information to third parties. We may share your information with our trusted service providers who assist us in delivering our services, however they have an obligation to always maintain the confidentiality of your information.

We may share this information with:

- Contractors and suppliers involved in delivering your kitchen or bathroom project
